NOTICE OF SPECIAL GENERAL MEETING**

INTRODUCTION

Reference is made to the announcement of the Company dated 23 October 2017 in relation to the Proposed Amendments, pursuant to which the Company and CM Fund agreed to amend certain terms and conditions of the Convertible Bonds.

LETTER FROM THE BOARD

The purpose of this circular is to provide you with (i) information relating to the Proposed Amendments; (ii) a letter of advice from the Independent Board Committee to the Independent Shareholders in connection with the Proposed Amendments; (iii) a letter of advice from the Independent Financial Adviser setting out, among other things, its recommendation to the Independent Board Committee and to the Independent Shareholders in connection with the Proposed Amendments; and (iv) the notice of the SGM to be convened and held for the purpose of considering and, if thought fit, approving the resolution in respect of the Amendment Deed, the Proposed Amendments and the grant of Specific Mandate.

PROPOSED AMENDMENTS TO TERMS OF CONVERTIBLE BONDS

References are made to the announcements of the Company dated 23 January 2015, 17 March 2015, 8 April 2015 and 20 April 2015 and the circular of the Company dated 27 February 2015 in relation to the issue of the Convertible Bonds. As at the Latest Practicable Date, the aggregate outstanding principal amount of the Convertible Bonds amounted to HK\$434,803,198.80.

On 23 October 2017, the Company entered into an Amendment Deed with CM Fund in relation to the Proposed Amendments, pursuant to which, the Company shall have the right to redeem the outstanding Convertible Bonds up to a principal amount of HK\$384,803,198.80 prior to the Maturity Date. On the same date, the Bondholder passed a special resolution to sanction the Proposed Amendments.

The Proposed Amendments

The Proposed Amendments to the terms and conditions of the Convertible Bonds are set out below:

To the extent not previously redeemed or converted into Shares or not being subject to conversion under the Bond Instrument at the relevant time, the Company shall have the right, at any time commencing from the effective date of the Supplemental Deed and ending on the fifth business day prior to the Maturity Date after having given a redemption notice (the “**Redemption Notice**”) to the Bondholder in accordance with the Bond Instrument, redeem all or part of the outstanding principal amount of the Convertible Bonds up to an amount equivalent to HK\$384,803,198.80 at a price that is equal to the sum of items (a) and (b) set out below:

- (a) 100% of the face value of the part of principal amount of the Convertible Bonds proposed to be redeemed; and

LETTER FROM THE BOARD

- (b) all interest accrued thereon up to (but excluding) the Maturity Date as specified on the Redemption Notice.

Conditions Precedent

The Proposed Amendments are subject to the following conditions precedent:

- (a) the approval of the Proposed Amendments and the grant of the approval for the listing of and permission to deal in the Conversation Shares by the Stock Exchange;
- (b) the approval of the Proposed Amendments by the Independent Shareholders at the SGM; and
- (c) the sanction of the Supplemental Deed by a special resolution of the Bondholder as holder of the Convertible Bonds (which is co-signed by CM Fund).

The Company shall execute the Supplemental Deed within three business days after the conditions precedent have been fulfilled to effectuate the Proposed Amendments.

CM Fund has undertaken with the Company that it shall not exercise the conversion rights attached to the Convertible Bonds and that it shall not transfer the Convertible Bonds to any third party, each for a period commencing from the date of the Amendment Deed and ending on 31 December 2017, unless with prior written consent of the Company.

CM Fund has further undertaken with the Company to release all the security that was executed in its favour to secure for the Convertible Bonds within 5 business days after redemption of the Convertible Bonds up to a principal amount of HK\$384,803,198.80 by the Company.

Save as disclosed above, all other terms and conditions of the Convertible Bonds shall remain unchanged.

Reasons for entering into the Amendment Deed

The Company is an investment holding company and the Group is principally engaged in the development, investment, operation and management of solar power plants and has progressed to diversify into other renewable energy projects as a long-term development strategy.

LETTER FROM THE BOARD

The Company considers that the entering into of the Amendment Deed will allow the Company to redeem a majority part of the Convertible Bonds prior to its maturity date and to better manage its capital structure with flexibility. Upon early redemption of a substantial portion of the Convertible Bonds, it could reduce the debt position of the Company to the extent of the principal amount of the Convertible Bonds so redeemed and potentially help to reduce the dilution impact on the equity interest of the Shareholders that would otherwise be arisen from the issue of Conversion Shares under the terms of the Convertible Bonds.

The Proposed Amendments were arrived at after arm's length negotiations on normal commercial terms. As at the Latest Practicable Date, the aggregate outstanding principal amount of the Convertible Bonds amounted to HK\$434,803,198.80. It is the intention of the Company to redeem up to HK\$384,803,198.80 principal amount of the Convertible Bonds immediately after the Proposed Amendments become effective. The Company and CM Fund agreed that the early redemption right shall be exercisable with respect to HK\$384,803,198.80 principal amount of the Convertible Bonds while the principal amount of HK\$50,000,000 of the Convertible Bonds will remain outstanding and subject to the conversion right which is exercisable at the option of the holder during the conversion period of the Convertible Bonds. To the extent not converted prior to the Maturity Date, the Company will redeem all the remaining Convertible Bonds on the Maturity Date at 100% of the outstanding principal amount together with accrued but unpaid interest in accordance with the terms of the Convertible Bonds. The early redemption right as entailed by the Proposed Amendments is an additional right applicable to a substantial portion of the Convertible Bonds and the Company considered the Proposed Amendments as fair and reasonable. The Company will use internal resources to finance the early redemption of the Convertible Bonds, including the net proceeds from the fund raising activities conducted by the Company in 2017, such as the issue of shares and the issue of senior notes, in accordance with the intended usage of these proceeds.

The Directors (including the independent non-executive Directors) consider that the Amendment Deed and the transactions contemplated thereunder are on normal commercial terms determined after arm's length negotiation between the Company and CM Fund and are fair and reasonable and in the interests of the Company and the Shareholders as whole.

None of the Directors has any material interest in the transactions contemplated under the Amendment Deed, and therefore none of the Directors is required to abstain from voting on such Board resolutions. However, in the relevant Board meeting, Mr. Li, Alan, Mr. Lu Zhenwei and Mr. Tang Wenyong, who are directors of CMNEG, voluntarily abstained from voting on the aforesaid deed.

Implications under the Listing Rules

Pursuant to Rule 28.05 of the Listing Rules, any alteration in the terms of convertible bonds after issue must be approved by the Stock Exchange, except where alterations take effect automatically under the existing terms of such convertible bonds.

LETTER FROM THE BOARD

CM Fund is a company with limited liability established under the laws of the PRC and is a comprehensive asset management platform. CM Fund is an associate of China Merchants and CMNEG is a non-wholly owned subsidiary of China Merchants. CMNEG (together with parties acting concert with it) is a substantial shareholder of the Company, and therefore, CM Fund is an associate of CMNEG, and hence a connected person of the Company. Accordingly, the Proposed Amendments to be effected by the Supplemental Deed constitute a connected transaction of the Company under Chapter 14A of the Listing Rules, which is subject to the reporting, announcement and Independent Shareholders' approval requirements at the SGM under Chapter 14A of the Listing Rules. The Company has established the Independent Board Committee and appointed the Independent Financial Adviser to advise the Independent Shareholders and the Independent Board Committee of the Company in respect of the Proposed Amendments. CMNEG together with its associates will abstain from voting in respect of the resolution(s) approving the Proposed Amendments at the SGM.

The Company has applied to the Stock Exchange for approval of the Proposed Amendments.

The application will be made to the Listing Committee of the Stock Exchange for the granting of the listing of, and permission of deal in, the Conversion Shares falling to be allotted and issued under the Convertible Bonds (as amended by the Supplemental Deed).

SPECIAL GENERAL MEETING

A notice convening the SGM is set out on pages 27 to 29 of this circular for the purpose of considering, and if thought fit, passing the resolutions set out therein.

An ordinary resolution will be proposed to the Shareholders to consider and, if thought fit, to approve the Amendment Deed, the Proposed Amendments and the grant of Specific Mandate. As at the Latest Practicable Date, to the best knowledge of the Directors having made reasonable enquiries, CM Fund did not hold any Share in the Company. As at the Latest Practicable Date, CMNEG (together with parties acting concert with it) held a total of 2,119,829,883 Shares in the Company, representing approximately 22.24% of the issued share capital of the Company and they are required to abstain from voting on the resolution approving the Amendment Deed, the Proposed Amendments, and the grant of Specific Mandate at the SGM.

Save as disclosed, all Shareholders will be entitled to vote on the resolution approving the Amendment Deed, the Proposed Amendments, and the grant of Specific Mandate at the SGM.

LETTER FROM THE BOARD

You will find an enclosed form of proxy for use at the SGM. Whether or not you are able to attend the SGM, you are requested to complete and return the enclosed form of proxy in accordance with the instructions printed thereon to the Company's branch share registrar in Hong Kong, Union Registrars Limited, located at Suite 3301-04, 33/F., Two Chinachem Exchange Square, 338 King's Road, North Point, Hong Kong as soon as possible but in any event not less than forty-eight (48) hours before the time appointed for holding the SGM or any adjournment thereof. Completion and return of the form of proxy will not preclude you from attending and voting in person at the SGM or any adjournment thereof should you so wish.

VOTING BY WAY OF POLL

Pursuant to Rule 13.39(4) of the Listing Rules, all votes of shareholders at a general meeting must be taken by poll, except where the chairman, in good faith, decides to allow a resolution which relates purely to a procedural or administrative matter to be voted on by a show of hands. Therefore, all the resolutions put to the vote at the SGM will be taken by way of poll and the Company will announce the results of the poll in the manner prescribed under Rule 13.39(5) of the Listing Rules.

RECOMMENDATIONS

An Independent Board Committee comprising all the independent non-executive Directors has been formed to advise the Independent Shareholders in respect of the Proposed Amendments and Goldin Financial Limited has been appointed as the Independent Financial Adviser to advise the Independent Board Committee and the Independent Shareholders in respect of the Proposed Amendments.

Your attention is drawn to (i) the letter from the Independent Board Committee set out on page 11 of this circular which contains its recommendation to the Independent Shareholders in relation to the Proposed Amendments; and (ii) the letter from the Independent Financial Adviser set out from pages 12 to 26 of this circular which contains its advice and recommendation to the Independent Board Committee and the Independent Shareholders in relation to the Proposed Amendments.

The Directors are of the opinion that the proposed ordinary resolution approving the Proposed Amendments referred to in this circular is in the interests of the Company and the Shareholders as a whole. The Board recommends the Independent Shareholders to vote in favour of the ordinary resolution in respect of the Amendment Deed, the Proposed Amendments and the grant of Specific Mandate proposed at the SGM.

We have also reviewed certain information provided by the management of the Company relating to the operations, financial conditions and prospects of the Group. We have also (i) considered such other information, analyses and market data which we deemed relevant; and (ii) conducted verbal discussions with the management of the Company regarding the Proposed Amendments, the businesses and future outlook of the Group. We have taken reasonable steps to ensure that such information and statements, and any representation made to us, which we have relied upon in formulating our opinions, are true, accurate and complete in all material respects as of the Latest Practicable Date and the Shareholders shall be notified of any material changes, if any, as soon as possible.

LETTER FROM THE INDEPENDENT FINANCIAL ADVISER

The Directors jointly and severally accept full responsibility for the accuracy of the information contained in the Circular and confirm, having made all reasonable inquiries, that to the best of their knowledge, opinions expressed in the Circular have been arrived at after due and careful consideration and there are no other facts not contained in the Circular, the omission of which would make any statement herein or in the Circular misleading. We have not, however, for the purpose of this exercise, conducted any independent detailed investigation or audit into the business or affairs or future prospects of the Group. Our opinion is necessarily based on financial, economic, market and other conditions in effect, and the information made available to us as at the Latest Practicable Date.

This letter is issued for the information for the Independent Board Committee and the Independent Shareholders solely in connection with their consideration of the Proposed Amendments. Except for its inclusion in the Circular, this letter shall not be quoted or referred to, in whole or in part, nor shall it be used for any other purposes, without our prior written consent.

PRINCIPAL FACTORS AND REASONS CONSIDERED

In arriving at our opinions in respect of the Proposed Amendments, we have taken into consideration the following principal factors and reasons:

1. Background of the Proposed Amendments

The Company is an investment holding company and the Group is principally engaged in the development, investment, operation and management of solar power plants and has progressed to diversify into other renewable energy projects as a long-term development strategy.

LETTER FROM THE INDEPENDENT FINANCIAL ADVISER

References are made to the announcements of the Company dated 23 January 2015, 17 March 2015, 8 April 2015 and 20 April 2015 and 2015 Circular in relation to the issue of the Convertible Bonds. On 23 January 2015, the Company and CM Fund entered into a subscription agreement pursuant to which the Company conditionally agreed to issue, and CM Fund conditionally agreed to subscribe for, the 7.5% Convertible Bond in the principal amount of up to HK\$529,000,000. On 20 April 2015, Convertible Bonds in the principal amount of HK\$524,803,198.80 were issued by the Company to the Bondholder as nominee of CM Fund. Pursuant to the terms and conditions of the Convertible Bonds, the Company shall redeem all outstanding Convertible Bonds on the Maturity Date and such Convertible Bonds shall be cancelled upon redemption. On 23 October 2017, the Company entered into the Amendment Deed with CM Fund in relation to the Proposed Amendments, pursuant to which, the Company shall have the right to redeem the outstanding Convertible Bonds up to the principal amount of HK\$384,803,198.80 prior to the Maturity Date.

It is intended that the Company shall redeem up to HK\$384,803,198.80 principal amount of the Convertible Bonds immediately after the Proposed Amendments become effective (the “**Immediate Early Redemption**”), and will use internal resources to fund the Immediate Early Redemption.

2. Reasons for and benefits of the Proposed Amendments

In assessing the fairness and reasonableness of the Proposed Amendments, we have made reference to, among others, the financial resources of the Group. Based on the Redemption Price of the Convertible Bonds under the Amendment Deed, approximately HK\$384,803,198.80 will be required to fund the Immediate Early Redemption. According to the Results Announcement, cash and cash equivalents of the Group amounted to approximately RMB2,812,000,000 as at 30 June 2017, representing a level substantially higher than the amount of fund required for the Immediate Early Redemption. In light of the foregoing, we are of the view that the Company has surplus financial resources to implement the Immediate Early Redemption pursuant to the Proposed Amendments, and such implementation would not cause any material adverse impacts on the operations of the Group.

LETTER FROM THE INDEPENDENT FINANCIAL ADVISER

Further, the early redemption right under the Proposed Amendments shall help to reduce the dilution effect on the shareholding interest of the public Shareholders arising from the potential issue of the Conversion Shares to the Bondholder. As at the Latest Practicable Date, CM Fund held the Convertible Bonds in the outstanding principal amount of HK\$434,803,198.80, representing a potential entitlement to 448,250,720 Conversion Shares upon full conversion thereof based on the adjusted unit conversion price of HK\$0.97 (the “**Adjusted Conversion Price**”), details of which are set out in the relevant announcement of the Company dated 20 March 2017. In the event of the Immediate Early Redemption, the outstanding principal amount of the Convertible Bonds immediately thereafter shall become HK\$50,000,000, representing an entitlement to 51,546,391 Conversion Shares upon full conversion thereof based on the Adjusted Conversion Price, resulting in a significant reduction in the number of Conversion Shares to be issued upon the conversion of the Convertible Bonds. Considering a substantial portion of the outstanding Convertible Bonds would be entitled to the early redemption right under the Proposed Amendments, the Proposed Amendments could potentially help to reduce the dilution impact on the equity interest of the public Shareholders that would otherwise be arisen from the issue of Conversion Shares under the terms of the Convertible Bonds, ultimately preserving the degree of their participation in the future growth of the Company.

Accordingly, the Proposed Amendments, which allow the Group to early redeem the Convertible Bonds before the Maturity Date at its discretion, shall provide the Group with flexibility in managing its capital structure, whereas pursuant to the original terms and conditions of the Convertible Bonds, the Company is not allowed to early redeem the outstanding Convertible Bonds even when it considers it has sufficient financial resources and such early redemption is in the interests of the Company and the Shareholders as a whole.

Taking in account the aforesaid and (i) the surplus financial resources of the Group as at 30 June 2017; (ii) the potential mitigation of the resulting dilution impact on the shareholding interest of the public Shareholders as compared to that without the Proposed Amendments; and (iii) the potential increase of flexibility in managing the capital structure of the Company we are of the view that the Proposed Amendments are fair and reasonable and in the interests of the Company and the Shareholders as a whole.

LETTER FROM THE INDEPENDENT FINANCIAL ADVISER

3. Principal terms under the Proposed Amendments

The Proposed Amendments to the terms and conditions of the Convertible Bonds are set out below:

To the extent not previously converted into Shares or not being subject to conversion under the Bond Instrument at the relevant time, the Company shall have the right, at any time commencing from the effective date of the Supplemental Deed and ending on the fifth business day prior to the Maturity Date after having given the Redemption Notice to the Bondholder in accordance with the Bond Instrument, redeem all or part of the outstanding principal amount of the Convertible Bonds up to an amount of HK\$384,803,198.80 at the Redemption Price that is equal to the sum of items (a) and (b) set out below:

- (a) 100% of the face value of the part of principal amount of the Convertible Bonds proposed to be redeemed; and
- (b) all interest accrued thereon up to (but excluding) the Maturity Date as specified on the Redemption Notice.

Save as disclosed above and in the section headed “Conditions Precedent” in the Letter from the Board, all other terms and conditions of the Convertible Bonds shall remain unchanged.

In assessing the fairness and reasonableness of the Proposed Amendments, we have conducted research from the public domain on comparable transactions which (i) involved the issues of convertible bonds or convertible notes; and (ii) were announced by other listed companies in Hong Kong during the three months period prior to and including the date of Amendment Deed, which in our view represents a reasonable period of time to reflect the prevailing market conditions for conducting such transactions. It is worth noting that the underlying issuers of the selected comparable transactions may or may not be identical to the Company in terms of principal business, operations and financial position. Nevertheless, we consider that our comparable analysis could provide a general reference for the common market practice of the companies listed in Hong Kong in conducting such transactions. To the best of our knowledge and on a best-effort basis, an exhaustive list of 38 comparable transactions (the “**Comparables**”) has been identified to have met the abovementioned selection criteria, details of which are summarised in Table 1 below.

Notes

1. This column indicates whether the respective Comparables constitute connected transactions of the issuers pursuant to Chapter 14A of the Listing Rules.
2. This column indicates whether the underlying issuers of the respective Comparables are entitled to the rights of redemption of the outstanding convertible securities before the maturity date at their sole discretions and free from any conditions except for the requirement(s) of the provisions of prior redemption notices to be given by the issuers to the bondholders and/or the obtaining of the prior consents by the issuers from the bondholders.
3. This column indicates that for each of the Comparables where the underlying issuers have the early redemption rights as mentioned in Note 2 above, whether it has been disclosed in the relevant announcement that a notice of redemption is required to be given by the issuer to the bondholder and/or consent on such early redemption is required to be obtained by the issuer from the bondholder prior to such early redemption.
4. This column indicates the basis of redemption price under early redemption.

As illustrated in Table 1, among the 38 Comparables identified, the underlying issuers of 21 of them are entitled to the early redemption rights of the outstanding convertible securities at their discretions before the respective maturity dates (the “**Early Redemption Comparables**”). Further, among the 21 Early Redemption Comparables, (i) 16 of them require prior redemption notices from the issuers and/or prior consents on the early redemption from the bondholders; and (ii) the bases of the underlying redemption price of 13 of them are substantially the same as that of the Redemption Price, i.e. being the sum of (a) 100% of the outstanding principal amount of the convertible securities to be early redeemed; and (b) all interests accrued thereon to the date of early redemption.

Accordingly, we are of the view that the Proposed Amendments, which shall allow the Company to, after the provision of the Redemption Notice in accordance with the Bond Instrument, redeem all or part of the outstanding principal amount of the Convertible Bonds up to a principal amount of HK\$384,803,198.80 at the Redemption Price, being the sum of (i) 100% of the face value of the part of principal amount of the Convertible Bonds proposed to be redeemed; and (ii) all interest accrued thereon up to but excluding the Maturity Date as specified in the Redemption Notice, are consistent with the normal market practices, fair and reasonable and in the interests of the Company and the Shareholders as a whole.

LETTER FROM THE INDEPENDENT FINANCIAL ADVISER

4. Financial impacts of the Proposed Amendments

When assessing the financial impacts of the Proposed Amendments, we have primarily taken in to account the following aspects:

Liquidity

According to the Results Announcement, current assets and current liabilities of the Group as at 30 June 2017 amounted to approximately RMB7,653,000,000 and approximately RMB7,179,000,000 respectively, resulting in the net current assets of the Group as at 30 June 2017 of approximately RMB474,000,000. Given both of the current assets and current liabilities of the Group shall be reduced by the same amount immediately after the Immediate Early Redemption upon the Proposed Amendments have become effective, it is expected that Proposed Amendments will not have a material impact on the net current assets of the Group.

Earnings

According to the Results Announcement, profit of the Group for the six months ended 30 June 2017 was approximately RMB277,000,000. Upon the Proposed Amendments have become effective, despite the potential expense to be incurred by the Immediate Early Redemption, given the potential decrease in the outstanding balance of the convertible bonds and the increase in the Group's flexibility in managing its capital structure, which shall in turn provide the Group with a higher flexibility to participate in other favourable business opportunities should they arise, it is expected that the Proposed Amendments would have a positive impact on the earnings of the Group in the long run.

Accordingly, in light of the above, we are of the view that the Proposed Amendments will not have any adverse financial impacts on the Group.

The analyses above are for illustrative purpose only and do not purport to represent how the financial position of the Group will be upon the Proposed Amendments have become effective.

LETTER FROM THE INDEPENDENT FINANCIAL ADVISER

RECOMMENDATIONS

Having considered the above principal factors and reasons, despite the Proposed Amendments are not in the ordinary and usual course of business of the Company, we are of the view that the Proposed Amendments are on normal commercial terms, fair and reasonable and in the interests of the Company and the Shareholders as a whole. Accordingly, we advise the Independent Shareholders, as well as the Independent Board Committee to advise the Independent Shareholders, to vote in favour of the ordinary resolution(s) to be proposed for approving the Proposed Amendments at the SGM.

Yours faithfully,
For and on behalf of
Goldin Financial Limited
